ARGENTINE TANGO CONGRESS SUITE

Hosts:
Tracey Tyack-King & Leonardo Acosta

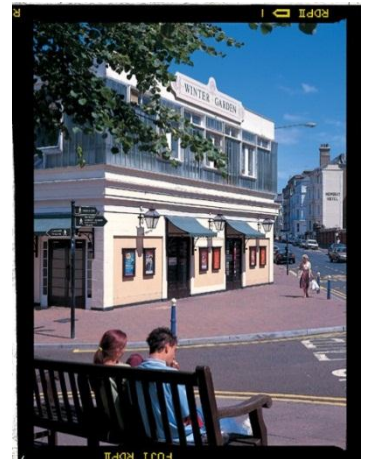

SOCIAL SEQUENCE GOLD ROOM

Gwenda & Gary Cole

In each of the Ballrooms for the Morning and Afternoon sessions there will be General Dancing plus 'Learn & Improve' classes and some helpful supervised practice. Naturally everyone can visit or stay in each of the ballrooms and have the enjoyment of developing or improving their dancing in the three different dance styles. The Floral Hall is not only a beautiful ballroom but has a spacious dance floor: it is in this hall during the afternoon session that there will be a demonstration by Champions with a further Demonstration during the Gala Evening. Also in the Floral Hall there will be an evening guest organist so that everyone can enjoy some live as well as recorded music. During the evening sessions there will still be dancing in the Congress Suite and the Gold Room but when there are demonstrations etc. in the Floral Hall this will be communicated. Everyone will have the pleasure of enjoying their dancing and maybe sampling a new dance style. A detailed programme of 'What When Where' will be available on the day to all ticket holders.
